

TRAXX™ TXA SERIES STOOLS

Cast aluminum base/round steel seat.

Choose Traxx TXA stools for top performance in a wide variety of environments including: industry, education, laboratory, clean room and healthcare.

Stools within this series feature an 18-gauge steel seat with 4 standard bases to choose from. Pneumatic seat height controls are also standard. Customize with a wide variety of performance options.

STANDARD FEATURES

Seat: Round, 13" diameter, made of 18-gauge steel with formed flange and no sharp edges.

Controls: Soft-touch pneumatic seatheight adjustment.

Base: High-profile, Euro-style cast aluminum base with 25.6" diameter; T-shape construction provides added strength and facilitates easy cleaning.

Casters and Glides: Dual-wheel, non-marring polyurethane casters resist movement when the seat is unoccupied.

Metal Parts: Traxx TXA Series stools have a black powder-coated finish as standard or a chrome-plated finish when specified with a C option code (aluminum base has a polished top with the C option).

Warranty: 13 years.
