

# Junction™

# Junction™

Junction is an affordable solution for boardroom, classroom and presentation room applications. A shared leg configuration provides more legroom. Freestanding configurations are also possible by adding legs, allowing worksurfaces to be easily reconfigured while providing flexibility for changing classroom and boardroom environments.

Choose from a variety of table top designs: Rectangular, Half Round, Trapezoid and Keystone to create a table for your boardroom, classroom or presentation room. A Freestanding or Shared Leg configuration, with a "Y" leg or Straight leg is available, allowing you to create a permanent table or one that can be reconfigured quickly and easily. Designed by Zoey Chu.

# Junction™

A shared leg configuration provides more legroom and decreases the overall costs.

Options include: Modesty Panel with integrated wire trough and / or large Electrical Manager.

Glides are standard, casters are optional.

Optional Power/Data Module.
